

# 2018- ZNA Membership Form

Once again it's that time of year to submit ZNA memberships. Membership's through the Northwest Koi & Goldfish Club (ZNA NW Chapter) has allowed our club to be part of a world wide recognized organization.

**ZNA America** has now grown to twelve clubs. Doors are opening through the ZNA organization to koi keepers like yourself. Part of your membership entitles you to receive a monthly publication called "*Nichirin*". This magazine is full of informative materials from around the world in regards to koi. As a member of this organization, your membership links you to fellow koi enthusiasts both near and afar. Seminars are available at regional ZNA Shows, which any ZNA member can attend for a discounted registration fee or *free*, in some cases. A number of our members travel abroad each year. If contacts are made with other ZNA members in that area you will meet a whole new group of friends with your same interests.

We hope you will begin to support ZNA through the NW Koi & Goldfish Club (ZNA NW Chapter). This year's special ZNA membership fee for NW Club members is **\$94.00 (US Funds)**, which includes prorated foreign currency conversion and bank transfer fees to Japan. The *Club has again so generously voted to offset \$20.00 towards each ZNA membership for 2018.* You must be a current paid NW Club member, in good standing, and agree to receive your club newsletters by email to receive this special rate. **ZNA membership fees are due now**, as we must send off to Japan **by March 22, 2018.** Don't delay, as this is a once a year opportunity to enroll. We want you to enjoy all the benefits of your membership in this organization and begin receiving your individual issues of *Nichirin* magazine to add to your personal library.

Thanking you in advance for your support.

*Larry*
