

Bonsai Printing Workshop

taught by
Claudia Nice

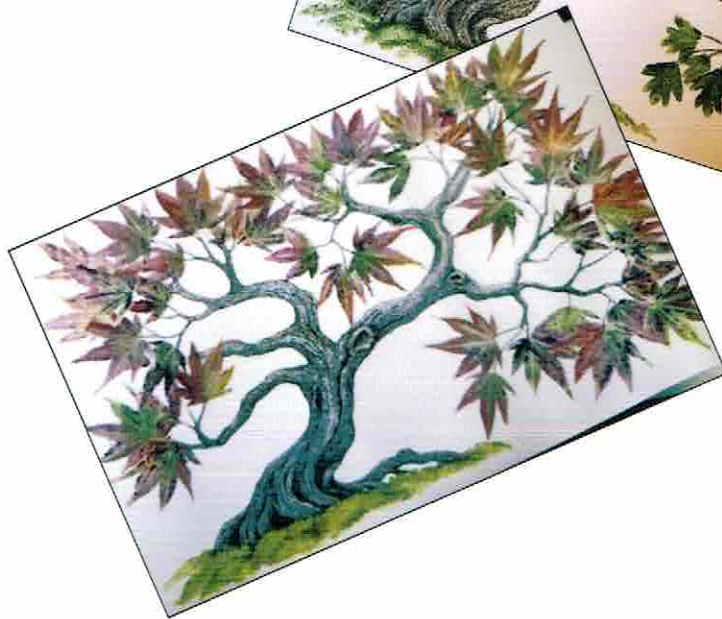

This class is being offered for the first time at PNKCA and we expect it will be a big hit. Claudia is a fine and talented artist and very imaginative she comes up with lots of new and interesting projects. We expect many more from her in the future.

Each participant will receive the image at the top, along with acrylic paints to use and oak or maple leaves to press. Claudia will show you what to do.....

This image shows sort of what it will look like when you have pressed the leaves with green acrylic.

Then you will touch up/paint the leaves, the ground, the tree trunk and you will have beautiful picture to frame.
