The **Northwest Koi and Goldfish Club (NWKG Club)** is always looking for new members, whether you keep fish now or are planning for it in the future. Please feel free to visit one of our meetings as a guest. The meetings are generally held every third Saturday of the month. A potluck and brief meeting and followed by a educational program and socializing. Our Annual Koi Show in July give both members and non-members a chance to show off their fish and compete for beautiful awards. Our monthly newsletter is filled with articles that you will find interesting and informative whether you are a beginner or a seasoned koi keeper. Please contact any of the following for more information on the time and location of the next meeting. We hope to see you soon!!
